PLACE ACQUIRED [redacted]

NO. OF ENCLS. (LISTED BELOW)

CIA LIBRARY

DATE OF INFO 1947

SUPPLEMENT TO REPORT NO. 25X1X

[redacted]

The following information was procured at a meeting of the Austrian Electrical Association, attended by directors of the firms named. Although sources cannot vouch for the accuracy of the figures given, since individual directors may, for personal reasons, have retouched them slightly, he feels that in general the figures given represent the relative 1947 status of the firms.

Siemens-Schuckert Ges.m.b.H., including the various workshops in Vienna and provinces:		43,000,000 S
Siemens-Schuckert A.G., USIA-controlled enterprises:		50,000,000 S
Bayerngstrasse Factory:	20,000,000 S	
Siemensstrasse Factory:	10,000,000 S	
Cable Factory:	10,000,000 S	
Brown-Boveri:		23,000,000 S
Elin A.G.:		26,000,000 S
SAG Union:		13,000,000 S
Siemens-Halske:		18,000,000 S

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
Next Review Date: 2008

(Field Comment: The Brown-Boveri figure seems too high, especially since Director [redacted] is wont to exaggerate his production figures. The sales of this firm probably amounted to 16-17 million schillings. Of the large companies, Vereinigte & Guilleaume and Osram were not represented at the meeting. It is impossible to estimate sales figures of these firms, since both are strictly controlled by the Soviets / and release almost their entire production to USIA.)

CONFIDENTIAL
